PUBLIC EDUCATION PETITION

I believe Governor Scott's budget proposal to cut $3.3 Billion from Public Education is wrong. Politicians have repeatedly hurt our kids and harmed our schools with $1.4 Billion in cuts since 2007. **I believe** that every Florida child has the civil right to a high-quality, safe, efficient, uniform and adequately funded system of public education as stated in Article IX, Section 1 of the Florida Constitution. **I do not support funding cuts to public education.**
